Sir:

We/I, Yoshifusa TOGAWA, Takayuki MIYAMOTO and Kuriko NOZAWA declare that:

1. Our residences, post office addresses and citizenship are as stated below next to our respective names.

2. We believe we are the original, first and joint inventors of the subject matter which is described and claimed in U.S. Letters Patent No. 5,918,008 ("the '008 patent") granted on June 29, 1999, and for which invention we solicit a reissue patent on the invention entitled STORAGE DEVICE HAVING FUNCTION FOR COPING WITH COMPUTER VIRUS, the specification of which is attached hereto.

3. We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims as amended in the attached reissue application.

5. We hereby claim foreign priority benefit under Title 35, United States Code, Section 119, of Japanese Patent Application No. 7-136331, filed June 2, 1995, and there are no other foreign applications for patent or inventor's certificate having a filing date before Japanese Patent Application Number 7-136331 on which priority is claimed.

6. Applicants verily believe the original '008 patent to be wholly or partly inoperative or invalid by reason of patentees' claiming more or less than they had the right to claim in the patent, without any deceptive intent on the part of the Applicants.

7. With respect to Applicants broadening the claims, one error being relied upon is claiming less than the inventors had the right to claim by the inclusion of excessive limitations in the claims.

8. All errors, including those listed above, which are being corrected up to the time of filing of this reissue declaration arose without any deceptive intention on the part of the applicants (37 CFR §1.175(a)(2)).
